Court 1, 2, 3, & 5 all follow the First-Come-First-Serve policy. This means that anyone can show up to play tennis and/or pickleball. Everyone should be mindful of other residents waiting for an open court. No one is monitoring how long a party may be using the court for, and courts are not reserved for any specific group other than what is mentioned above and/or published about special events. Please be respectful and use good communication when discussing with fellow residents about court usage.
